Dear Parent / Carer

Thank you for taking the time to select the 10 core values that you regard as important for Markethill Primary School. We had a high number of responses to this and appreciate your input into this aspect of the new School Development Plan 2025 – 2028. Your responses are currently being analysed, along with the staff, pupil and governor responses. As soon as we have identified our top 10 core values, we will let you know.

The next aspect of the new School Development Plan that we would like your input into is the parent/carer survey. As a parent/carer of a child/children attending Markethill Primary School, you hold a unique perception on our school's strengths, opportunities and how we can improve. The survey covers several areas of school life such as the curriculum, health and wellbeing, leadership, communication and teaching. I would be grateful if you would take the time to complete this survey as your feedback, along with feedback from the staff, pupils and governors, will help to inform our priorities for the new School Development Plan 2025 – 2028.

Please click on the link below to complete the survey. The survey will close on Tuesday 15 April 2025 at 12 noon.

Thank you for your support with regard to informing our new School Development Plan.
