

## World Autism Acceptance Week

2nd-8th April 2024

During Autism Acceptance Week (2nd- 8th April) Sebastian and his brothers completed 98 laps of The Mall to help raise money for the new Sensory Room at MPS. They walked, cycled and scooted around The Mall every day for 7 days. This is an amazing achievement and everyone in MPS is extremely grateful to Sebastian and his family for completing this challenge and helping raise £1000 to help resource our Sensory Motor Room.
